## **CLUB SERIES RACES**

Sunday Morning Club Race Series consists of a Pursuit Race starting at 10.00 and a Handicap Race starting at approximately 11.45.

For 2026, the Wednesday Evening Race Series will return to being a Pursuit Race. The first & last race of the series will start at 18:45. All other starts at 19.00.

The number of races to count for each series is 50% + 1.

The boat/helm combination entered in the boat/helm's first race entry of a series defines what is being sailed for that series (either single or double handed using the appropriate PYN).

Scoring - the RYA low point system as described in the Racing Rules of Sailing, Appendix A will be used for scoring all events and series. The points are rewarded as follows:

1 <sup>st</sup>	1
2 <sup>nd</sup>	2
N <sup>th</sup>	N
RTD, DSQ, DNS	No of starters in race +1
DNC	No of competitors in series +1

Points will be awarded for Race Officer, Assistant Race Officer & Fast Safety Boat duties. The code "OOD" will be shown in the results to indicate this. The points awarded for OOD is the average of points gained in the series excluding DNC.

For the Wednesday Evening Race Series, the RO and ARO should ensure that adequate safety is provided by using at least one of the orange safety boats if a trained volunteer is not on the water in the FSB.

## **INFORMAL RACES**

Informal Races have been added to the main calendar and take place on Wednesday mornings and Wednesday afternoons. No RO/ARO or Safety Cover is rostered for the Informal Races. Helms taking part in Informal Races must arrange adequate safety cover.

## **CLUB SERIES AND INFORMAL RACES**

**The following statement applies to all of the races at Broadwater and is a condition of entry:** "The safety of a boat and entire management including insurance shall be the sole and inescapable responsibility of the owner/competitor racing the boat. The sailing instructions in no way reduce the complete and unlimited responsibility of the owner/competitor for his/her crew, boat and the management thereof".

### **Buoyancy Aids**

Adequate personal buoyancy shall be worn by all sailors whilst racing.
